

Assist in the fight against coronavirus

We are seeking dedicated people to volunteer their valuable time to help deliver a large-scale vaccination programme across BaNES from January 2021.

By volunteering your time, you will play an active part in the local fight against Coronavirus and assist in an historic vaccination programme that will ultimately save lives.

No clinical skills necessary, we are seeking volunteers for the following roles:

Role:	Tasks involved:
Parking access steward	-Facilitate access to a reserved parking area for patients with appointments only -Notify the Site Manager of any issues that arise in the reserved parking area
Front door steward	-Facilitate access to the building i.e. one-way system. Make sure that social distancing is maintained and no queues form -Check patients have an appointment (or access pass) and are not early -Check staff/others coming in are expected and always check ID -Ensure expected visitors sign in via the visitor book -Assess and identify patients with any additional needs to the Site Manager eg frail, mobility or communication needs. Assess if any patients may need fast-tracking through
Back door steward	-Facilitate access to the building i.e. one-way system. Make sure that no one enters through the exit. -Support patients to leave safely
Main hall steward	-Maintain queue flow and social distancing -Support Health workers if incident -Advise front door staff if need to hold queue

All steward roles will be supervised by the Site Manager

These roles would suit people who:

- Are good with meeting people and confident with people they don't know
- Are happy to spend time outdoors/ in cooler temperature as they will be by open doors or outside
 - Feel physically able to support others who may be physically frail
 - Able to stand for extended periods of time
 - Have exemplary time keeping

Full briefing, appropriate supervision and personal protective equipment will be available to ensure the safety of staff, volunteers and patients. Shifts will be approximately 4.5 hours long.

Help pave the way for a safer BaNES, contact us on 01225 560806 or at bsccg.volunteers@nhs.net
